3D Bogen Ann's Paper Art  
APA3D009

A lady can never have too many bags! Introducing a new free pattern from Ann's Paper Art.

This is the perfect design to add a 'pop' of colour using our new 3D decoupage sheets with artwork by Moonbeam1212. The 3D Decoupage Sheets Series 3, with an additional free pattern sheet, are available for purchase in stores now.

I hope you have as much fun creating your own cards with this pattern, like I had creating it for you.
