

## STAY AT HOME - STAY SAFE - SAVE LIVES!!!

Within a matter of weeks, our world has been turned upside down and we have been told to stay at home so we can stay safe and save lives.

So let's focus on the things we can do and not the things we can't do.

Let's be creative and SHARE SOME LOVE!!!

Stitch this card (feel free to decorate and add your own sentiments) and post it to someone to show you care. Perhaps grandparents, health care workers, the cashier, the postman or maybe just for the lonely neighbours next door.

We are all in this together!!

Are you up for a challenge?

Then let's start sharing and caring.....

1. Stitch a card and share it with someone special
